

GUIDELINES FOR ABSTRACT SUBMISSION

- The conference language is English. All abstracts must be submitted in English.
- Abstracts must be submitted online. Do not fax, mail or email abstracts, they will not be considered.
- In order to give a presentation at the conference, please submit an abstract by filling out the abstract submission form.
- Please note that accepted abstracts can only be programmed for a poster or an oral presentation if at least one author has registered for participation at the conference and has paid the registration fees.

Before starting your online submission

- Prepare **personal data** (title, authors' details...) that are to be included in the form – please note that the information used and published in the scientific program and book of abstracts are taken from this form.
- **Co-authors:** note you do not need to add the details of the presenting author/speaker again, they will automatically be first in author list. Enter the details of the other co-authors in the order you want them to appear, and enter details of senior corresponding author last.
- Prepare a short abstract text, that will be included online in the corresponding field (no more than 2500 characters, spaces included)
- When all the materials are ready, please proceed to **Abstract Submission** by filling in the online form.
- **ATTENTION:** Please check the abstract carefully before submitting.

Each proposal should include:
